

## USDT.z — Privacy Policy

This policy explains what we collect, how we use it, and your choices. The Project values transparency and minimizes data collection.

### 1) Who we are

USDT.z (“we”, “our”, “Project”). Contact: [info@usdtz.site](mailto:info@usdtz.site)

### 2) What we collect

- Website: basic HTTP logs (IP address, user-agent, timestamps) for security and troubleshooting; essential cookies only.
- Community bots (e.g., Telegram): user ID, username, and message text needed to process commands (e.g., “price”, “rules”, “help”).
- Social posting (X/Twitter): outbound content we publish; we do not ingest personal data from X beyond what is required for posting.
- On-chain data: blockchain transactions are public by design; we do not control nor censor third-party blockchain data.

### 3) How we use data

- Operate the site and community features (e.g., welcome messages, rules, daily posts).
- Security, abuse prevention, and service reliability.
- Compliance with applicable laws and legitimate requests.

### 4) What we do not do

- We do not sell, rent, or trade your personal data.
- We do not build advertising profiles or conduct cross-site tracking.
- We do not scrape X/Twitter or other platforms’ user data.

#### 5) Sharing

We may share limited data with service providers who help us operate the site or bots (e.g., hosting, security, messaging APIs).

#### 6) International transfers

Our infrastructure or providers may be located in multiple countries. By using our services, you consent to processing outside your country.

#### 7) Data retention

We keep data only as long as necessary for the purposes described here, unless a longer period is required by law.

#### 8) Your choices

- You may disable cookies in your browser (site may not function fully without essential cookies).
- You can delete messages or leave community channels at any time.
- Contact us for questions or data requests: [info@usdtz.site](mailto:info@usdtz.site)

#### 9) Children

Our services are not directed to children under 16. If you believe a minor has provided data, contact us for deletion.

#### 10) Changes

We may update this policy from time to time. We will update the “Effective” date and, for material changes, provide a notice in our channels.
